

**LIST OF DIPLOMA LEVEL COURSES AND DURATION (Session 2025-26):**

|                                                                                 |
|---------------------------------------------------------------------------------|
| <b>A) THREE YEAR DIPLOMA COURSES (Six Semesters):</b>                           |
| 1. Architectural Assistantship                                                  |
| 2. Automobile Engineering                                                       |
| 3. Chemical Engineering                                                         |
| 4. Civil Engineering                                                            |
| 5. Computer Science and Engineering                                             |
| 6. Electrical Engineering                                                       |
| 7. Electronics and Communication Engineering                                    |
| 8. Electronics & Communication Engineering (Industry Integrated)                |
| 9. Fashion Designing                                                            |
| 10. Garment Manufacturing Technology                                            |
| 11. Information Technology                                                      |
| 12. Interior Design and Decoration                                              |
| 13. Knitting Technology / Textile Technology (Knitting)                         |
| 14. Leather Technology                                                          |
| 15. Leather Technology (Footwear)                                               |
| 16. Library and Information Science                                             |
| 17. Mechanical Engineering                                                      |
| 18. Mechatronics Engineering                                                    |
| 19. Mechanical Engineering (Refrigeration and Air Conditioning)                 |
| 20. Medical Lab Technology                                                      |
| <b>A) THREE YEAR DIPLOMA COURSES (Six Semesters):</b>                           |
| 21. Plastic Technology/ Chemical Engg (Plastic & Polymer)                       |
| 22. Production and Industrial Engineering / Mechanical Engineering (Production) |
| 23. Textile Design                                                              |
| 24. Textile Processing                                                          |
| 25. Textile Technology                                                          |
| 26. Modern Office Practice (Last Semester is Training/Internship)               |
| <b>B) FOUR YEAR DIPLOMA COURSE (08 Semesters):</b>                              |
| 1. Mechanical Engineering (Tool & Die)                                          |
| <b>C) TWO YEAR DIPLOMA COURSE (Annual System)</b>                               |
| 1. Pharmacy                                                                     |
